

Newsletter 1/2015

For international students of the Faculty of Medicine and Dentistry

MENTE
ET CORDE

Facultas Medicinae
Universitatis Palackiana
Olomucensis

1. Financial contribution for your internship abroad

If you decide to do your internship abroad and the internship will last at least 30 days, you may utilise the financial contribution from the faculty, amounting up to EUR 1,000. The contribution will be awarded based on your CGPA as follows:

CGPA 1.0 - 1.50 - EUR 1,000

CGPA 1.51 - 2.30 - EUR 500

CGPA 2.31 and above - EUR 250

Only internships, which are required by the curriculum can be considered for the contribution. The contribution will be paid out upon completion of your internship and only once during the entire period of your studies. Applications for the contribution must be submitted to the Student Department by 15th October 2015.

Further information available on:

www.lf.upol.cz/en/groups/studying/master-degree-programmes/general-medicine/internships-abroad/

2. Internships in the United States

Palacký University received an offer from United Medical Rotations (UMR) which provides customized clinical clerkships for international students in the United States. The price is \$400 per week per student.

For more information, please visit their website: www.unitedmedicalrotations.com

3. Emergency numbers

We would like to remind you that in case of emergency, you should immediately contact the Police at **158** or **112**.

4. Erasmus+ selection procedure 2015/2016

In total 39 students (among them 4 students from the English programmes) applied for the Erasmus+ selection procedure, which took place on February 19, 2015. As a result, 30 students of the Czech programmes and 2 international students will spend a part of the next academic year at foreign universities. For the list of selected students, please visit the faculty website.

5. Study evaluation

Students of the English programmes will have a chance to evaluate their studies at Palacký. Evaluation questionnaires will be available at the end of this academic year.

6. Student research projects

Students participating in the student research projects must submit all required documents (abstract, poster and popularization text) by April 10, 2015. The student's scientific conference will take place on May 12, 2015.

7. Graduation ceremony

The final year students will solemnly conclude their studies at the graduation ceremony on June 22, 2015.

8. Ball for medical students

The student organization "Spolek mediků" will be holding a ball at Clarion Congress Hotel on March 21, 2015. For further details, contact the student organization.

9. Problems in Neředín

Problematic behaviour of some students at the Neředín dorms has been reported to the Faculty. We are taking all necessary steps to resolve this situation.
